Hyattstown, Md. 20734

December 12, 1966

Mr. Henry W. Berger
Department of Hitory
University of Vermont
Burlington, Vermont

Dear Henry:

I will be back from California by the time you are here. Am looking forward to seeing you and your wife.

Harvey Goldberg has already expressed a desire to meet and I'm looking forward to it.

Hope you have a chance to read my book before you get here.

Sincerely,

Harold
